Dear ladies,

Out of love for your souls I am sending one more message. I find it very hard to believe that when your former pastor returns to Singapore, no one will talk to him and, more, that you have been *warned* not to attend his speeches, just as you have been told not to read his writings. You know he taught you the gospel. Jesus saves sinners, and *never* Jesus and sinners save. Now CERC and the PRC teach that the cross provided the basis for forgiveness, but actually getting that forgiveness is dependent on you; that your sins are not forgiven until you forgive others; that your obedience is part of the way that you have confidence before God at his coming (how then can anyone have confidence before the holy God??!!); that eternal justification is a dangerous doctrine; that faith is a condition unto salvation; that if a man would be saved, there is that which he must do; and so much more. (If anyone wants a transcript of Prof. Gritters' recent *horrifying* and comfortless speech on forgiveness, I will share it.) But, fearing the truth, your session tells you not to read and not to listen and puts under discipline those who study.

Your leaders *know* you will hear the truth if you go to Andy's speeches. That is why they warn you to stay away. If they had nothing to fear, they would allow you to attend freely in your office of believer, trusting that the Spirit would lead you to see that what Andy is teaching is wrong. But they know he teaches the truth. You are told that you must obey your officebearers in all things--but even when they prohibit you from studying the truth of justification??!! "Believe what we tell you, and don't study anything else"--that is Roman Catholic!!

The words of Galatians--which Andy preached among you--are applicable in numerous ways to this entire controversy. I only quote a couple of verses now: "I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel: which is not another; but there be some that trouble you, and would pervert the gospel of Christ. But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed" (Gal. 1:6-8).

It is *urgent* that you study. It is *urgent* that you hear the truth. It is *urgent* that you quit listening to the lies your ministers and those of the PRC are telling you. Souls are at stake! Justification by faith alone is the article of the standing or falling church, and the PRC no longer has justification by faith alone! Many ministers are now saying that justification is one thing and forgiveness is another, contrary to article 23 of the Belgic Confession, so that they can claim they believe in justification by faith alone while at the same time teaching forgiveness by means of man's work of repenting. This is a doctrine worth fighting for! Andy gave up his ministry in the PRC for the truth of this doctrine! And you will not be told the truth about Andy's deposition either. I leave that in the Lord's hands. I long for the day of judgment, when the right will be vindicated before all. In the meantime, I plead with you for the sake of your souls and for the sake of your generations, *learn the truth!*

In love,

Stephanie

I know you don't want to hear from me, so this is the last time I will write. This is Prof. Cammenga...who has taught a whole generation of ministers in the PRC and CERC...in the latest Standard Bearer. If this does not show you why your ministers are so desperately afraid of you hearing the truth this week (we are amused by their terror at having Andy come to Singapore...why the fear if they have the gospel? Do you really want to go back to the bondage of fear?), then nothing will. The PRC does not want God first theology. "But he also opposed the sale of indulgences because they promised God's forgiveness apart from and before the sinner's repentance. Luther opposed the so-called "God-first theology" that is being promoted as the gospel by the RPC (Reformed Protestant Churches)." - Prof. Cammenga
